

RULES & REGULATIONS

Format: Better Ball (Stableford)

Tees Position: Men–Yellow/Blue//Ladies–Red/Orange

Rules:

- A) Each player will receive 85% of their slope adjusted handicap.
- B) Each player must play their own ball. The highest stableford points on each hole counts as the team score (the ball not counting must be picked up). Add up the total number of stableford points at the end of the round for your side's better ball score.
- C) For the team scratch result, when there is a scratch prize, please also mark the lowest gross score on each hole.
- D) The lowest handicap in each team marks their opponent's card and records their own team score below. The score card must show which player scored on each hole. Signing the card, at least one player and the marker to sign (see example of the scorecard).
- E) Play ready golf.
- F) To qualify for prizes in all Handicap competitions members must have a minimum of 5 qualifying rounds, including this event, in the past 12 months.
- G) The Competition Committee recognises the transition to the new World Handicap System (WHS) is not always straightforward for members of more than one club. If a member is in doubt of his/her handicap index (for example if there is a difference in timing between 2 countries WHS implementation), then in order to preserve the integrity of the player, the club and the competition, the lower handicap index should be applied. It is the player's responsibility to inform the Caddy Master if they think this is the case. Rule of Golf 3.3.b applies.
- H) Please remember to check that your handicap on the scorecard is correct.
- I) Lately we have seen a decline in etiquette when it comes to raking bunkers, fixing pitch marks and obeying trolley and cart signs. Please pay attention to this, it's your course and your tournament.
- J) Handling of equal results in classifications:
 For Scratch results the highest handicap will win. For Handicap competitions the lowest playing handicap will win. For a tie-break where two or more players share the same playing handicap, the result of back 9/6/3 will prevail and then front 9/6/3.
