

## RULES & REGULATIONS

**Format:** Foursome Medalplay

**Tees Position:** Men - Yellow - Blue /Ladies-Red - Orange

**Rules:** In Foursome only one ball is played throughout the round. The players decide beforehand which player will tee off on the even holes and which on the odd holes. After each tee shot, the players will then hit alternative shots until the ball is holed out.

- A) Handicap will be calculated by 50% of the sum of thee two players' full slope adjusted handicap.
- B) One player and marker must each sign the card (see example of the scorecard).
- C) Play ready golf.
- D) To qualify for prizes in all Handicap competitions members must have a minimum of 5 qualifying rounds, including this event, in the past 12 months.
- E) The Competition Committee recognises the transition to the new World Handicap System (WHS) is not always straightforward for members of more than one club. If a member is in doubt of his/her handicap index (for example if there is a difference in timing between 2 countries WHS implementation), then in order to preserve the integrity of the player, the club and the competition, the lower handicap index should be applied. It is the player's responsibility to inform the Caddy Master if they think this is the case. Rule of Golf 3.3.b applies.
- F) Please remember to check that your handicap on the scorecard is correct.
- G) Lately we have seen a decline in etiquette when it comes to raking bunkers, fixing pitch marks and obeying trolley and cart signs. Please pay attention to this, it's your course and your tournament.
- H) Handling of equal results in classifications:  
For Scratch results the highest handicap will win. For Handicap competitions the lowest playing handicap will win. For a tie-break where two or more players share the same playing handicap, the result of back 9/6/3 will prevail and then front 9/6/3.
