

Dear members and friends of Aloha Cares,

An eventful year is ending, giving us the opportunity to look back over 364 days. Do not worry, we will not be repeating all the information already published. Nevertheless, it is a good habit to say THANK YOU to our generous donors. We were able to successfully solicit donations in various places; it all started with our tournament on 15 April 2023, continued with the Christmas market at the Ladies Tournament, the Club's Christmas Tournament and the Ladies Section and we were able to receive donations from members who celebrated their milestone birthdays and wished their guests to donate to Aloha Cares - a noble way to give back to people in need. The basis that gives us the opportunity to help people remains the regular monthly/annual donations!

**A big thank you to all those who have once again provided us with extensive support!**

Further thanks go to the donors of golf vouchers that we have received from the clubs in our neighbourhood in recent years for our tournament. To this end, Aloha Golf Club invited all the managers of the individual clubs to a small tournament to give them the opportunity to play our course and to have a lively exchange of ideas over a meal afterwards. It was a complete success, and we are sure that the support will continue.

At the beginning of next year, our previously privately run organisation will become an official foundation. With the help of our President Rafael Fontan, we are able to take this step after more than 11 years of activity, which will offer us many advantages. Primarily is the simple possibility of issuing donation receipts, which can offer tax advantages to our donors. We will keep you up to date and inform you promptly.

Also, about the date of our next tournament: it will take place in March 2024! We will communicate exact details as soon as possible. Thanks to Mathias Larsson – Head of Competition Committee – who took over the whole organisation of the tournament. Target will be to gain more income for Aloha Cares.

We wish you and your families a peaceful and happy Christmas and only the absolute best for the New Year. Please stay healthy and well-disposed towards us; we look forward to many encounters in the spirit of the people who urgently need our support.
